AGCO University

Machine Learning + Natural Language Processing Workshop Certificate

This certifies that

Jon Seymour

Has successfully completed the **Machine Learning & Natural Language Processing (ML+NLP) Hands-On Training Workshop**, as a part of Tech Talent Development at AGCO University.

The recipient has demonstrated strong command of machine learning and natural language processing, including designing, building, and deploying ML models and NLP applications to address real-world business challenges. Through practical exercises and projects, participants developed the ability to interpret complex data, extract insights from unstructured text, and integrate advanced analytics into business processes. This accomplishment reflects dedication to continuous learning, technical excellence, and advancing AGCO's culture of innovation.

Awarded on 14 November 2025
