

Tech Talent Development Program

MS Copilot Studio & Power Platform Workshop Certification

This certificate is proudly presented to

Dhanshree Badhe

In recognition of the successful completion of the MS Copilot Studio & Power Platform program at AGCO University. Through this program, the participant demonstrated commitment to building practical capability in AI agent development, automation, and enterprise integration. The learning experience included a hands-on instructor-led workshop, providing applied exposure to real-world use cases and platform capabilities
