AGCO University

AWS Compute Workshop Certificate

This certifies that

Mukul Jain

Has successfully completed the AWS Compute Hands-On Training Workshop, as a part of Tech Talent Development at AGCO University.

The recipient has demonstrated strong proficiency in AWS Compute services, including launching, configuring, and managing virtual servers, containers, and serverless architectures. Through practical exercises and applied projects, participants developed the ability to optimize cloud resources, ensure scalability, and support secure, efficient business operations. This accomplishment reflects dedication to continuous learning, technical excellence, and advancing AGCO's cloud-driven innovation.

Awarded on 09 May 2025
