

AGCO University

## SAP Material Management Workshop Certificate

This certifies that

*Kanchan Walunj*

Has successfully completed the SAP MM Hands-On Training Workshop, as a part of Tech Talent Development at AGCO University.

The recipient has demonstrated proficiency in key SAP MM processes, including procurement, inventory management, and materials planning. Through hands-on training and real-world scenarios, participants have shown the ability to optimize supply chain operations and support AGCO's goals of efficiency, accuracy, and operational excellence. This achievement reflects a strong commitment to continuous learning and the advancement of best practices in material management.
